RE: Sean Darnell Jeffries
Docket No: 1:11CR127-1

Sean Darnell Jeffries does not qualify for a sentence reduction pursuant to USSG §1B1.10 for the reason(s) stated below:

The originally calculated guideline range consisted of an offense level of 43 (38 (base offense level) + 2 (premises) + 2 (criminal livelihood) + 3 (role) = 45, which is reduced to 43), a criminal history category of II, and an advisory guideline sentencing range of life, plus 60 months consecutive. With the two-level reduction afforded by the 2014 retroactive amendment 782, the offense level remains 43 (36 (base offense level) + 2 (premises) + 2 (criminal livelihood) + 3 (role) = 43), and the guideline range remains life, plus 60 months consecutive. Therefore, the 2014 retroactive amendment 782 does not have the effect of lowering the defendant's applicable guideline range.
